RIDGES AND HOLLERS
Rev. D. Cal Brand,
Regional Director

I was up and down more than a yo-yo about making the trip to San Francisco for the Spring Leadership conference. Between the RD's Convocation, the R.E.M. Invitational, our regional meeting and three area Educational Consultation events, it seemed like I was on the road all the time. But duty beckoned and I bought my tickets. On the way up Interstate 65 to the Indy Airport, my car died. My first thought was "I am going to miss my flight." My next thought was "Well, this is my *permission slip* to stay home." I decided to see what the airline had to say. If there were going to be a big hassle and extra charges, I would just stay home.

Donna came and picked me up and brought me home. I got a tow truck to go get the car and called the airline. "No problem," I was assured. "Just go one to the airport and fly standby. There seems to be seats, and there is no extra charge." O well, the escape hatch clanged shut.

By noon I was sitting in the airport and sure enough, I slept in San Francisco, albeit not without a good deal of waiting (not one of my favorite activities!). The next day I was very glad I had made the trip as I had the opportunity to wait with and then celebrate with **Joe Roberts**, our newest Associate Supervisor. The remainder of my time there was filled with samples of what was going on with our Board of Representatives and lots of good networking. I was also happy for **Evans Mulima**, as he also passed his committee.

Joe Robert's success had implications for the region. The administration of Howard Regional Hospital in Kokomo wanted to keep their CPE program going after Larry Brandon left. They employed and sponsored Joe as a candidate in conjunction with the Clarian Health supervisory CPE program. So there was lots of happiness around his certification. **Frank Ciampa** says he is going to give retirement another try.

Word reached me last week from down Kentucky way that **Don Chase** was celebrating. He had received word that his position papers all passed – a major milestone in his process.

I recently learned that we have a new supervisor coming into the region in the person of **Amy Greene** who is moving to Cleveland to join Dennis Kinney at the Cleveland Clinic. Amy will continue to serve The Institute for Chaplaincy and CPE in Decatur, GA through the summer and join us in the fall. Hopefully we will be able to welcome her at Akron.

I am preparing to make my first visit to the VA program in Pittsburgh. I continue to welcome your invitations to participate in area and center activities. Now that I am retired from the church, hitting the road to see what you all are doing can provide a good break from working on the house.

Please continue to keep **Susan Kyser** in your prayers as she continues her treatment for cancer. Also, remember **Joan Lyke** as she continues frequent trips to TN to check in with her parents who have significant health problems.

Peace, Cal Brand ☺

**ACPE: ENSURING OUR FUTURE
MESSAGE FROM
ECR BOARD OF REPRESENTATIVES:**

**Carol R. Green and
Frank Impicciche**

The Board of Representatives of the Association for the Clinical Pastoral Education launched a comprehensive development and fund raising plan in accordance with the organization's Strategic Plan. Its goal is to establish ACPE as the premier organization for the integration of healing, spirituality and education.

ACPE engaged the services of Myerberg, Shain and Associates (M/S/A). M/S/A consults with charitable organizations, foundations and philanthropists and has a successful track record in assisting organizations such as ours with achieving long-term financial viability.

ACPE set an initial goal of raising \$6 million dollars to promote new centers, develop innovative programs and recruit diverse students. ACPE intends to meet its goal from a variety of sources including individual donors, institutions and foundations.

The membership of ACPE will have opportunities to learn more about this development and ways to participate in this venture at the national meeting in Dallas.

In the meantime, you may contact Carol at <green8@bellsouth.net> or Frank at <FSIMPICC@stvincent.org>

year. The Board of Representatives approved the plan at their meeting fall of 2006. The ACPE Personnel Committee has formulated, and the Board approved, a plan for covering essential functions during Teresa's time away.

Associate Director Deryck Durston will take on additional duties for day-to-day management of Association business, as well as representing ACPE in collaborative meetings. In compliance with Board personnel policy, he will function during the Executive Director's study leave with the authority of the Executive Director, and be accountable to the Personnel Committee for these functions.

In addition to the Associate Director's temporarily expanded duties, ACPE has retained the services of two persons to assist in focused tasks that our governance documents usually reserve for the Executive Director. ACPE Supervisor Wayne Van Kampen will take on work for ACPE related to grievances, and ACPE Supervisor Sharon Engebretson will take on work related to appeals. They will be accountable to the Board through the Personnel Committee for the time of their service. Deryck Durston will be available through the national office phone and email as usual. Other contact information:

Complaints (ACPE Ethics): Wayne Van Kampen
Phone: 303-372-8540
E-mail: wayne.vankampen@uch.edu

Appeals (Certification, Accreditation): Sharon Engebretson
Phone: 336-716-3410
E-mail: sengbrt@wfubmc.edu

We are grateful to Wayne and Sharon for their willingness to serve in these capacities for the summer. They each bring significant competencies and experience related to the tasks for which they have been retained.

Teresa will be away from the office and will not be available to respond to voice mail or e-mail. She will be available to ACPE members for business communication upon her return September 1. During her time away, Teresa will be working on writing and editing projects. We look forward to welcoming her back September 1.
