December 2012

CAN YOU BELIEVE. . .

Dennis E. Kenny, Regional Director

. . .It's December. . .

It's mid December, and I am not ready! I'm not sure what that means but I'm not it. Update on the Kenny household is that Ruth's surgery went well; margins and other indicators were clear. A last test that looks at DNA and recurrence rate for breast cancer also came back low. So she feels good, I am relieved and now focusing on the holidays. Plans include going to Florida for my father's 95th birthday! Many of you know he lives by himself, goes to the Y 3 times a week, drives and plays golf. The family will gather to celebrate with him.

I know that **Daryl Hanson** and **Ann Letson** are struggling with health issues and recovery; so keep them and others in your prayers. Universities of Kentucky and Michigan are making proposals to administration about CPE programs. I will provide an update at the February regional meeting.

Conversation continued on several fronts at the leadership meetings in Atlanta: resuming the process for finding an executive director; stopping the formal mediation process with CPSP; tuning our new governance policies; and celebrating with FCPE about individuals/groups that have expressed an interest in partnering with us financially regarding our property.

The big news out of any national meeting of course is often certification results. Five people from our region met with the Certification Commission: **Linda Bos** [for Associate]; **Don Chase** [for Supervisor]; **Peggy Metacale** [for Associate]; **Sarah Reed** [for Supervisor]; and **Whit Stodghill** [for Associate]. Peggy, Sarah and Whit were successful and great congratulations to them! Don and Linda were not and they deserve our attention and support as a community. It often takes a village to get through this process.

The Cleveland Clinic has interviewed one candidate for CPE Director and anticipates interviewing one or two more by the end of January. It's an interesting experience to have some input on one's replacement. As you may have heard previously, **Amy Greene** and I submitted a proposal, to administration that I would step down as director and she would become director. I would cut back to 3 days per week, work on special projects and supervise students. It remains to be seen if administration accepts the proposal.

These holidays are a great time to remember to breathe and search for the light. May you be surprised!

OPPORTUNITY FOR GIVING – PROFESSOR GERISHON KIRIKA

D. Calvert Brand

Greetings All,

Since the November newsletter announcing the region's donation of \$1,000 to assist with travel costs for Professor Gerishon Kirika, of Kenya, to attend the ACPE conference in May, a few additional contributions have come into the fund. There is now \$2,000 available to assist with costs for a Kenyan CPE supervisor to join us in May. Thanks to those who have chipped in already. Airfare alone is more than we presently have in the fund. Any additional gifts would be welcome and helpful. Make your check payable to "First Presbyterian Church" with "Kenya Mission" on the note line, and send to First Presbyterian Church, [512 Seventh Street, Columbus, IN 47201](#).

Thanks and peace, Cal Brand :-)

ACCREDITATION NEWS, NOTES AND – DEADLINES FOR 10-YEAR REVIEWS, SITE VISITS, ETC.

Accreditation Deadlines: For 10 year reviews and any other Accreditation Site Visit requests (e.g., Satellite to Accredited Center) contact Ruth Alpers for deadline information.

Reminder: Satellite Materials (see pages 32-34 in the Accreditation Manual) need to be in at least 30 days before beginning a program at the Satellite center and a provisional letter must be received from the Accreditation Chair prior to recruiting students.

“Annual Center Reports are due to me by January 15, 2013. Thank you to those of you who have already submitted your Annual Center Reports to me. This is your second gentle reminder, remembering that Satellite Programs must submit their Annual Center Reports through their Host Centers.

Remember that the ideal way to get it to me is to scan your signed and dated report and email it to me. Second best is to fax me a signed and dated copy. Least desirable is snail mail, as it takes a while to get to me through our hospital mail system.

I will be out of the country from December 12-January 7, so if you send me your report and get my bounce back message, fear not. I will get it! I will send out one more reminder on January 7—not so gentle on that one!

Best wishes for a Happy Hanukkah, a Merry Christmas, a blessed Kwanzaa, and blessings to each of you in the New Year.”

Note: A total of 7 evaluations were turned in. A summary of the evaluations follows:

FRIDAY & SATURDAY OCTOBER 5-6, 2012

1. Plenary Sessions: "...Two Absolute Mysteries: The Spirituality of Sexuality and Intimate Loving; Sexuality in the Supervisory Arena: and Consulting About Sexual Issues in Professional Practice" – Gordon Hilsman

Excellent 1 Very Good 2 Good 2 Fair Poor N/A 2

The sessions were helpful to me because:

- *New insight and the opportunity to speak and engage in sexuality issues. Valuable.*
- *Broadened the list of authors/resources of those who are speaking of the interplay between sexuality and supervision.*
- *They explored many aspects of an often-avoided aspect of spirituality, social psychological and pastoral formations.*
- *Opened up an important topic and conversation. Allowed for discussion and personal reflection. Brought a case and questions for reflection.*
- *Gordon Hilsman modeled "hearing people out" who were unhappy with some of his content.*
- *Small group breakout/discussion segments were helpful/consultative.*

The sessions would have been more helpful to me if:

- *More dynamics to issues of sexuality and not just from a heterosexual prospective.*
- *The speaker kept using dichotomous examples that failed to capture the diversity in sexuality (i.e., LGBTQIAA).*
- *Gordon had been a bit more careful and clear in his language.*
- *Received content of 1st session prior to conference; more breakout segments.*

2. Business Meeting & National Issues moderated by Judy Ragsdale:

Excellent 1 Very Good 5 Good Fair Poor N/A 1

The Business Meeting & National Issues reports were helpful to me because:

- *Good/informative reports from Accreditation, Certification, Standards, Board of Representatives; good discussion on Saturday too.*
- *Kept me current on issues. Allowed for feedback. Saw the commitment from national leaders to bring feedback to the national level.*
- *Learned much about the options for governance changes.*

The Business Meeting & National Issues reports would have been more helpful to me if:

No comments.

3. Workshop: "Mutually Engaged Supervisory Processes: A Proposed Theory for ACPE Supervisory Education" – Judy Ragsdale & Bill Scrivener

Excellent 3 Very Good 1 Good Fair Poor N/A 3

The workshop was helpful to me because:

- *Challenged my thinking/practice; evidence/data based. Invited dialogue.*
- *Normalized one process-gave a model of presence and authority. Very engaging.*
- *Provided a good framework to start exploring the interplay of various elements within CPE process (e.g. shifts in personhood, feedback, etc).*
- *Gave data, words, and identifiers of the experience of supervisory education.*

The workshop would have been more helpful to me if:

- *More time for discussion.*

4. Seminars on Supervision Session:

Excellent 1 Very Good _____ Good _____ Fair _____ Poor _____ N/A 6

The SES session was helpful to me because:

No comments.

The SES session would have been more helpful to me if:

No comments.

5. Workshop: "Supervisory Themes with LGBTQ Students & Supervisors" – Linda J. Bos

Excellent _____ Very Good 2 Good _____ Fair _____ Poor _____ N/A 5

The workshop was helpful to me because:

- *Gave an opportunity to talk an emotionally and spiritually significant aspect of persons, relationships and ministry.*

The workshop would have been more helpful to me if:

- *If Linda had taken more charge of the process.*

6. Program Ideas for future conferences (i.e., speakers, themes, etc.)

- *History of Region; ACPE Governance;*
- *"The Evolving Identity of ACPE"*
- *Have supervisors present the emergence and/or evolution of their theories after years of practice.*
- *Hearing Judy Ragsdale & Bill Scrivener, "Mutually Engaged Supervisory Process: A Proposed Theory for ACPE Supervisory Education," use as a [_____ to _____] and work in the supervisory process from SES going through process as a Supervisor.*

7. Other/Miscellaneous Comments:

- *The venue for meeting was good. The hotel was comfortable and well-appointed. The hotel food service buffet was not that well set up. Bacon much too greasy.*
- *Discussion of Governance Issues and leadership concerns during Saturday session was excellent. Sad that few people attended. Perhaps structure "history/story-telling" of ACPE history into Friday sessions – with larger attendance.*
- *St. Joseph was beautiful – excellent job! Thank you! Hotel was wonderful, beautiful!*

March 23, 2012

Call To Order: 1:30PM Judy Ragsdale

Approval of Minutes September 23, 2011
Motion, Seconded, Approved

Accreditation: Ruth Alpers

Thanked everyone for getting their Annual Center Reports to her.

ACPE National Accreditation Commission Actions from Fall 2011 Meeting:

- Summa Health System, Akron, OH granted candidacy to offer programs of Level I/II CPE
- William Beaumont Hospital, Royal Oak, MI, granted postponement of full accreditation review to 2012
- Bronson Healthcare Group, Kalamazoo, MI granted continued accreditation to offer programs of Level I/II and Supervisory CPE with commendation.
- Lutheran Hospital of Indiana, Fort Wayne, IN (Five Year Review) - granted continued accreditation to offer programs of Level I and II with no notations
- Mt. Carmel Health System, Columbus, OH (Five Year Review) - granted continued accreditation to offer programs of Level I and II CPE with no notations

The Christ Hospital has hired a supervisor but the name of the individual is not yet public.

Ruth noted there are several centers in the region that are in the process of recruiting supervisors *and those positions are filled on a contract basis, in some instances by retirees.*

Board Report: Marla Coulter-McDonald and Ted Hodge

Marla presented a Board Report with talking points on Finance, ACPE/REM Dialogue, FCPE, ACPE/APC Collaboration, ACPE/CPSP Collaboration, Governance Restructuring and a Correctional CPE Pilot Program

Discussion – A concern was raised about NAJC and NACC not approached regarding possible merger in same manner as APC. Another concern was voiced about issues brought to a mediator. Marla said the Proposed Governance Manual is available on the ACPE website and she encouraged everyone to pay attention and provide feedback as requested. Marla shared a letter from Robin Brown-Haithco.

Certification: Bill Scrivener for Frank Impicciche

Nine applicants appeared before the regional certification committee. Three met for Candidacy: Marcos Collado, Ephraim Karp and Faith Proietti; Four met for Readiness: Bernard Gillespie, Sarah Knapp Ellis, Anastasia Holman and Denise Lewis; and two for consultation: Donald Chase and Tony Marshall. Outcomes of the committees: New Candidates are Ephraim Karp and Marcos Collado.

Finance: Jim Wright

Reported that the Budget & Investment committee met Thursday and prepared the budget document that included adjustments for FY 2012 and the projected FY 2013. He reported the region is doing comparatively well and is working to increase reserves to the level we had

several years ago. The FY 2012 adjustments included paying retirees serving on Committees at regional meetings mileage at the volunteer rate of \$0.14/mile. He noted the positive reviews of the Regional Director and Regional Administrator. After a brief discussion the budget was **motioned, seconded and approved**. [The budget as approved is attached].

Nomination: Lin Barnett

Lin Barnett and the committee reviewed vacancies. Lin presented the ballot at the General Business meeting and nominations were taken from the floor. The nominations were **Motioned, Seconded and Approved**. (The Roster as approved at the meeting was included in the July 2012 regional newsletter).

Standards: Joe Viti

Joe gave a power point presentation covering the various topics. Discussion followed and the complete report was included in the May 2012 regional newsletter.

1. **Supervisors' Written Evaluation: 308.2.** The newly written standard has changed due to seminary representatives and professors expressing dissatisfaction with Final Supervisory Evaluations that are in check list form. The check list form does not fully and effectively describe the CPE student's humanity, pastoral identity and his/her experience. The change emphasizes Supervisor's assessments be written in narrative form, relative to the CPE student's learning goals and each of the ACPE outcomes for appropriate level of CPE.
2. **Standards Champion Group**—The Standards Committee has formed Champion Groups, e.g. Certification Champions, Accreditation Champions, Ethic Champions, who will interact and dialogue with the other Commissions to make our work more congruent, integrative and efficient.
3. **Including the word, "ethics" in Objectives and Outcomes 309.6, 405.1, 311.8, 312.8, 313.1.** Want to include "ethics" in the various Objectives and Outcomes to train chaplains who are being called upon in hospitals to help address ethical dilemmas, APC Certification folk often complain the ACPE Candidates for Board Certification are often deficient in their knowledge of ethics.
4. **1.5 Units**—Some CPE Centers like to offer CPE programs consisting of 1.5 units because it allows for a more compatible schedule in line with seminaries, and some Supervisors feel 1.5 units allows for a richer CPE experience. Members of Standards Committee feel strongly that CPE Students deserve to have a final supervisory evaluation after completing one unit of CPE. After some discussion in the Standards Committee the consensus is the 1.5 units will not be offered.
5. **Suspension of Candidacy Status in the Definition of Terms**—Currently committee actions can Grant Associate Supervisory certification, Grant Associate Supervisory certifications with notations, Deny Associate Supervisory certification, Revoke Candidacy Status. Revoke Candidacy status is for SESs whose work with CPE students is not of quality or is abusive or potentially abusive. The Certification Commission would like to replace "Revoke" with "Suspend." Using suspend would give the SES the opportunity for grace and review the Regional Certification Committee, so she/he can get a better sense to decide what the next step is. Suspend is less drastic than revoke. Certification would like "Suspension of Candidacy Status" to be entered in Definition of Terms.
6. **End of Date 308.1**—Supervisors, who do not write their final evaluation within the 45 day limit, often claim that the last day of the unit was not the Friday at the end date of the unit, but it was a week later when the departure party was celebrated, or two weeks later when one or two CPE students had to make up their clinical time. The last day of the unit is when the supervisory says it is. This practice gives them more time to write their

- final evaluation. This practice is not acceptable. The end of the date needs to be specifically defined.
7. **Definition of Good Standing**—A supervisor in good standing and an ACPE center in good standing are not included in the Definition of Terms. These definitions have significance for ongoing ACPE members and ongoing accreditation. They need to be included in the Definition of Terms.
 8. **Maintenance of Student Records:** change language to include electronic storage.— Electronic storage provides the advantages of reduced storage space, quicker accessibility, and rapid transfer of records to CPE students who make the request. However, student records can be stored electronically as long as confidentiality is maintained and they include the proper signatures. The language in the Accreditation Manual needs to be changed to permit paper from and electronic storage, p. 88, Appendix 7B.
 9. **Pastoral Review of Good Standing**—Accreditation site teams have concerns about the centers they review; and, there are times they have concerns about the CPE supervisor. On paper the CPE Center looks good, but in reality the CPE Supervisor is struggling and /or has issues of impairment. The three responses that Accreditation has are notation, competence review, or ethical violations. Accreditation does not want to take on the role of “police”. They are requesting Standards to create a way for a remedial, collegial way to help ACPE supervisors with issues of impairment. Standards would like to create A Pastoral Review of Good Standing Committee. A task force is looking into this.
 10. **Peer Review**—Drawing upon Standards 318.2, 408, 409, 413 peer review is being looked into by the Standards Committee. This comes as a request from Accreditation. Currently peer review, every five years, and 50 hours, annually, of continuing education are the only requirements for professional development of ACPE Supervisors. A task force is looking into this with the purpose of determining if these requirements are sufficient for professional development.
 11. **“Training” verses “Education”** -Training has been added to the definition of terms because this word is considered compatible with “education” in our documents. This decision was made in response to Jim Stapleford to clear up any inconsistency, and to maintain consistent language usage.
 12. **Request from DOE and Medicare**—DOE and Medicare are asking ACPE to devise a way to demonstrate how our Outcomes are measurable. Medicare wants to know what their funding is producing. We do not want to go down a “rabbit hole” of research on this request. The Standards Committee is considering more clearly articulating the language of the Outcomes (Level I and Level II) so we can use them as measurable indicators. A task force is looking into this.

Professional Ethics: Yoke Lye Kwong

Yoke Lye gave report on Annual Conference in Arlington VA.

1. The Ethics commission reviewed the complaint process from the Professional Ethics Commission Manual. Concerns have been expressed about the initiating of the complaint process. The complaint process features very prominently on www.acpe.edu. We want students to use the local complaint process whenever possible. Complaint Point Person is currently Deryck Durston.
2. Conflicts of Interest—PEC members to serve on certification is not a conflict of interest. Like serving in any other committees, self-monitoring is always recommended.
3. The ethics processes of APC/ACPE are combined whether or not the respondent is a member of both organizations. The Joint Process involves two initial review panels:
 - a. APC Ethics Chair, ACPE Ethics Consultant (Ann Underwood), ACPE’s Executive Director.

b. APC's Executive Director (Patricia Applehouse), ACPE Ethics Consultant (Ann Underwood), and ACPE Ethics Chair.

If it is an APC Complaint, the first panel is used. If it is an ACPE complaint, the second is used and APC is notified.

4. The Role of the PEC Regional Rep—Under new joint process, a Regional Rep is not notified of cases in the region. The fact that Regional Reps are not notified is not about trust but about “need to know.” However, the Regional Rep might have more “need to know” than the Regional Director. It would also be helpful for Regional Reps to know what is happening in the region in order to educate, rectify, etc.
5. Job Description for the Regional Rep—The rep plays the role as a consultant to the region. It was proposed the idea of formal training in consultation skills to be offered for the Regional Representatives: 1. To offer consultation at the local level. 2. To offer educational opportunities for regional members (workshops, didactics for supervisory education students, peer reviews, etc.) 3. On the national level, to serve on investigation panels and sanction reviews as needed.

REM: Judy Ragsdale for Vickie Johnson

Vickie Johnson is at the end of her term as our REM representative. We need a new representative. Those interested or who would like to nominate someone please contact Judy Ragsdale or Dennis Kenny. REM celebrated their 25th Anniversary in February and ACPE and REM held their Annual Meeting together at Arlington, VA, February 2012. [A description of duties of the Regional REM Taskforce Chairperson was included in the May 2012 regional newsletter].

Regional Director Report: Dennis Kenny

He reported that several centers in the region are in the process of recruiting and interviewing for supervisory vacancies. *In the meantime, some of those positions are being filled by retirees and he acknowledged: Sue Breiner, Frank Ciampa, Ken McCullough, Karen Morrow and Stan Mullin for their dedication and service.* He said that St. Vincent's in Indianapolis has been actively recruiting and the Christ Hospital recently hired a CPE supervisor. Dennis said he has been consulting with several possible new centers and encouraged the Admin Council to share any openings they know about with their colleagues. He noted several CPE supervisors are contemplating retirements in the near future and that will result in future vacancies. He said he is intentional about talking with administrators and offering his assistance with their recruitment efforts.

2012 ECR Fall Conference: October 5-6, 2012 The Boulevard Inn, St. Joseph, Michigan. Walter Balk and Bob Persenaire are planning the event. Details will be provided as they become available.

Respectfully submitted,

(Kay) Kechia Jenkins, Th.M., M.Div. is a Native of Newark, NJ where she attended the Arts High School of Performing Arts as a music major. Accepted into the famous Berklee College of Music in Boston, MA; Kay instead accepted the opportunity to travel and perform professionally.

Kay is an accomplished and published songwriter/singer with much of her work cataloged via The American Society of Composers, Authors and Publishers. She has a broad appreciation for diverse genres of music as demonstrated throughout the years, all of which remain premised on her love for Gospel, Jazz and authentic R & B.

Kay is a CPE Supervisory Resident at the Cleveland Clinic.

The Saturday morning program includes:

9:00AM-10:10AM

- **SES Session #1-Accreditation 101 for SESs** – presented by Ruth Alpers, ECR Accreditation Chairperson
- **Workshop A: “Critical Components in the Formation of CPE Supervisors” – Amy Greene**
The process of becoming an ACPE Supervisor is long and difficult, but a survey in 2010 of all active and retired supervisors (who use email) yielded a wealth of information about many facets of training. Some of the findings involved the “most important elements” of the process, as well as trends in demographics. The workshop will also explore issues such as “What are the characteristics of a good potential supervisory student?” and “What are the pros and cons of recruiting new trainees?” Please come and share your experiences and opinions.

The Rev. Dr. Amy Greene has been Director of Clinical Pastoral Education at the Cleveland Clinic since 2007. Before that she directed one of the largest CPE programs in the country in her hometown of Atlanta. She is endorsed by the Alliance of Baptists and is a graduate of Union Theological Seminary in New York (M.Div. 1986) and Ecumenical Theological Seminary of Detroit (D.Min. 2012). Her theory papers, passed in 2000, were published in the 2003 Journal of Supervision and Training in Ministry (now Reflective Practice). For seven years she has served as one of the readers for Theory Papers of the Year. She is married to Thomas Reuter and they are the obnoxiously proud parents of two grown sons, who live on the East and West coasts respectively.

- **Workshop B: “Assessing Student Learning in CPE” - Wayne McKenney**
Would you like to help your Level I students recognize their strengths and weaknesses, assess their pastoral skills, learn Level I outcomes, and assess their pastoral formation? Would you like to help students develop learning goals and write better final evaluations? Would you like help in evaluating student work and preparing better supervisory evaluations? This workshop will present a Rating Guide, validated by research with students and supervisors in the ECR that will help you accomplish these outcomes [and more] in your supervisory practice!

The Rev. Dr. Wayne McKenney serves as a contract supervisor at the Detroit Medical Center Vanguard CPE Center, located at Sinai Grace Hospital in northwest Detroit. He and his wife Susan married in 1973, live in Wyandotte, MI where she teaches first grade students in one of the public schools. Wayne graduated from MSU with a BA in Human Communications, a Master of Divinity, from United Theological Seminary of the Twin Cities, New Brighton, MN and a Doctor of Ministry from Ecumenical Theological Seminary in Detroit, MI. Wayne is an ordained pastor within the United Church of Christ, who served more than 30 years as a local church pastor, 19 years as a volunteer police chaplain for the Wyandotte Police Department, and as a Wyandotte School Board member and President. He currently serves on the ECR Accreditation Committee.

Peer Review/Self Care: Although some individuals have peer review more often, ACPE supervisors are required to have a peer review every 5 years (Standards 411.6). Individuals that would like to have a

Peer Review may schedule it during free time or as a workshop. If you are planning a peer review, you will need to do some written work in preparation. The Peer Review Guidelines and report form may be downloaded from the regional website www.ecracpe.org. Meeting rooms are not provided for Peer Reviews; individuals may select a place anywhere in the lodge that is comfortable/private for the review.

10:25AM-11:35AM

- **SES Session #2-** Individuals in supervisory training will have an opportunity to present materials, personal issues or to schedule a mock committee experience with peers and supervisors from the region. These seminars are also a great opportunity for supervisors to share their approach and/or to see others work with those in supervisory education. Individuals wanting to schedule a time slot must sign up in advance and recruit supervisors to participate in the committee.
- **Workshop A: “Critical Components in the Formation of CPE Supervisors” – Amy Greene**
(See above).
- **Workshop B: “Assessing Student Learning in CPE” - Wayne McKenney**
(See above).
- **Outstanding business items and closing comments-moderated by Bob Uken**
